## BAE Systems Inks Deal at Quantico Corp. Center

*More Than 100 Employees to Occupy 33,000 SF*

BAE Systems Inc. leased 33,055 square feet at Building 1 of the Quantico Corporate Center, at 925 Corporate Drive in Stafford, VA.

The four-story, 140,000-square-foot structure delivered last year and is now fully leased. BAE will move 130 employees into the space during initial occupancy early next year, and additional staff is planned for the office at a later date.

David Newman and Phillip Baxter handled the deal in-house for the landlord, Silver Cos.

Gene Sachs, Paul Ehrenreich, Lauren Hodgins and Kathryn Thomas of CresaPartners represented the tenant.
